

## Le triangle

### Exercice 11 : triangles constructibles.

Voici un extrait du cahier de textes de Lucie.

Construire ces trois triangles si possible.

The image shows three triangles drawn on a blue grid. The first triangle has side lengths of 54 mm, 72 mm, and 78 mm. The second triangle has side lengths of 2,5 cm, 5,5 cm, and 9 cm. The third triangle has side lengths of 3 cm, 5 cm, and 7 cm.

- Dire si elle peut construire ces triangles.
- Construire le(s) triangle(s) que Lucie peut tracer.
